

COMET-M Led Beacon 1020233001

Omnidirectional flash lamp **Magnetic mounting**

Key benefits

- > Optimal adhesion, even on curved vehicle roofs
- > Water and shock resistant, IP5K4K9K
- > Universal plug DIN/ISO 4165
- > 12 High Performance LEDs

Features

- > Black powder coating on base (ASA)
- > Blue Lens (PVC)
- > Magnetic system consisting of 3 high-quality rubber-protected magnets
- > Full use of the blue lens
- > Compliant: ECE R10 Class 1
ECE R65 Class 1 / Class 2
TÜV up to 250km/h
72/245/EWG

Specifications

- > Operation Voltage: 12VDC (1.5A)/ 24VDC (0,75A)
- > 12 LED lamps(4 groups of 3 LED lamps)
- > Height: 172mm
- > Diameter: 165mm
- > Analog control
- > Flash pattern from 2Hz
